- ❑ These special programs help your Scouts and your leaders develop their flat-water and canoe trip skills. Instructors are specialists in long canoe trips.
- ❑ Canoe Clinic programs in North and Oyo sessions are designed to help your Scouts be safe, do the job, get ready to go. Scouts may earn the Canoeing Merit Badge if they are able to demonstrate sufficient skill level and pass the tests concerning canoe handling (both solo and tandem), knowledge and safety.
- ❑ Scouters may earn Canoe Clinic Certification by successfully completing all of the requirements. Participation in a Council Canoe Clinic certifies Scouters to rent Council canoes for unit functions.
- ❑ Moving water training is a prototype, for adults only, 12 in number, who have already participated in the canoe clinic, and who wish training to handle themselves & their Scouts in Type I-II waters in Ohio, Pennsylvania & WVA. \$30, including food & lodging.
- ❑ North Clinic cost is \$20.00 (which includes instructional fees, books and patch) for each participant. Oyo Clinic cost is \$30 (above, plus food & lodging). Clinic registration is limited to the first 32 Scouts and Scout leaders (or 12 adults, for Moving Water Training) whose completed registration forms arrive at the Council Service Center complete with fees. Registration closes early: sign up early!
